**RE: California Proposition 65 (“Prop 65”) Compliance**

Dear : Whom It May Concern

Strataglass, LLC generally does not produce materials that are final consumer products and directly reach individuals in California; however, we recognize that some of our customers may produce such products. In keeping with the best-in-class service levels our customers expect from us, we feel it is important to provide you with the most accurate information we must ensure compliance with the new Prop 65 regulations effective August 30, 2018.

The Prop 65 list currently contains over 900 naturally occurring and synthetic chemicals ranging from aloe vera to wood chips. Although the chemicals identified in this notice letter are encapsulated in the multi-layer polymer matrices of our materials, we are aware of the importance of identifying the information about Prop 65-listed chemicals for compliance purposes. Strataglass takes its position as the industry leader seriously, and we are sending this notice to equip you with the information needed to fulfill the requirements of the new Prop 65 requirements (assuming your business needs to comply and wishes to meet the warning standards). This notice is intended to serve as information only and does not constitute legal advice.

This notice provides information about certain materials that (the “Customer”) obtains from Strataglass. The information may be important for the Customer’s compliance with Prop 65. **Please confirm receipt of this notice and, if you are not the Customer’s authorized representative for Prop 65 communications, please direct us to that person.**

Amendments to Prop 65 regulations have changed the way entities in the supply chain interact for products that may reach consumers in California. Even if the Customer is not located in California and does not directly ship products to California, the Customer should consider legal requirements that may apply under Prop 65, particularly Cal. Health and Safety Code § 25249.6. For example, requirements may include passing the information in this notice to entities downstream in the chain of commerce (so that retail sellers may provide a Prop 65 warning); and/or providing a Prop 65 warning to individuals in California (including for products sold online).

The CLEAR Choice

This notice provides information for compliance, where appropriate, for safe harbor warnings under 27 C.C.R. §§ 25600 et seq. Below is information about materials that the Customer obtains or has obtained from Strataglass which may result in an exposure to one or more Prop 65-listed chemicals:

Identifier for Materials	Prop 65-Listed Chemical(s) (and Reason)	Warning Type per § 25603(a)(2) (See Corresponding Letters Below for Template Language)
Strataglass 30, Strataglass 40, Strataglass 60, Crystal Clear 30, Crystal Clear 40, Panorama FR, SG30 Light Smoke, SG 40 Light Smoke, Crystal Clear 40 Light Smoke	Antimony Trioxide (CAS 1309-64-4; Cancer, Toxicity)  Di(2-ethylhexyl) phthalate (CAS 117-81-7; reproductive)	C

**Warning Language (See Corresponding Letters in the Table Above):**

Below are template warnings that may be used under Prop 65, where appropriate, for the corresponding materials and chemicals above, depending on the circumstances. Please note that the materials listed above are intermediate materials that are intended for further manufacturing or processing, so any required warning for a final consumer product may depend on such manufacturing or processing (which is beyond Strataglass's control). You should consult the Prop 65 requirements, including 27 C.C.R. §§ 25600 et seq., for the specific requirements applicable to the circumstances before completing the template warnings (e.g., methods of transmission, content, size and scale):

**A. Exposures to Carcinogens:**

**⚠ WARNING:** This product can expose you to chemicals including [insert name of one or more chemicals], which is [are] known to the State of California to cause cancer. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**B. Exposures to Reproductive Toxicants:**

**⚠ WARNING:** This product can expose you to chemicals including [name of one or more chemicals], which is [are] known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**C. Exposures to Both Listed Carcinogens and Reproductive Toxicants:**

**⚠ WARNING:** This product can expose you to chemicals including [name of one or more chemicals], which is [are] known to the State of California to cause cancer, and [name of one or more chemicals], which is [are] known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**D. Exposures to a Chemical that is Listed as Both a Carcinogen and Reproductive Toxicant:**

**⚠ WARNING:** This product can expose you to chemicals including [name of one or more chemicals], which is [are] known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
